Thanks. I'm curious what others think.

Attorney Client / Deliberative Process / Ex. 5

Is this worth a quick call?

Personally, no, I'm not comfortable with that. That is absolutely contrary to what we said in our briefing papers. We said during the last list, when we looked at extrapolating from Tribal to state waters, it was not appropriate because of changes in riverine inputs, land use, etc. We said in the briefing papers for this list:

Fotouhi had one suggested addition. Can you take a look at my proposed changes in the attached documents and let me know what you think?

Thanks,
Tom

Hi all,

I just ran into John Goodin and he talked to Anna and was told that we are good to go from their end. She just wants OGC's ok on the OA rationale piece. She didn't need review of the rest, just the OA. So...Tom, if you can follow up on that end and let me know if you need anything else, I think we can get this puppy outta here 😊 Thanks.
